

***Dear Friends,***

Have you given up anything for Lent!? Or maybe you picked something up instead, committed to something new? Maybe it's something that has passed you by this year, or indeed you haven't wanted to pay attention to it. For me as a Christian, Lent has been a welcome sojourn in the desert, and not all desert experiences are welcome I might add – but for me this year it has been, to pause and become even more attentive to what's going on inside as well as on the exterior. It has felt life-giving, as I journey towards Easter reminded again who it is that I serve, and why.

As Jesus made his way to the cross that first Easter, it was brutal, bloody and torturous – it was painful. So much of life can feel like that for many, from what we see around the world, to what we can contend with in our own lives. We will all experience shame, pain and death at some point, and for some, we may feel we visit that place time and time again. The way of the cross however brings hope and the promise of new life amidst that pain. Through the resurrection we are promised life that is eternal and forgiveness that knows no limits as Jesus rose again on that first Easter morning.

I hope in some way, that Easter will be life-giving for you too this year,

Happy Easter!  
Becca

### **Barton Baptist Church News**

My name is Alison and I have just taken over as Barton Baptist church secretary. I am taking over from Mary West who has done the job so diligently for the last 16 years. She has generously given her time and sought to do the job with enthusiasm and commitment. She has served the Church well and those who worship there. Her love of the Lord has been reflected in this administrative task. A big 'Thank you' to Mary and may you enjoy some of the extra time relinquishing this role will give you. I also give another 'Thank you' from all of us at Barton Baptist to Ken Jones who has been our minister for the last five years. Ken and his wife Lesley have been conscientious, kind, and energetic leaders and their love for the 'Lord' is evident in this relationship with people and their leadership at Barton Baptist. We are so glad they will continue to worship at Barton and wish them all

the best as they and their boat seek out adventures on the British waterways! Our other monthly activities continue as before with Bible studies on the 5<sup>th</sup> and 11<sup>th</sup> of the Month. Everyone is welcome to join the meetings at 7:30pm in the Church. The foodbank Collection point will be open at this time. The other Wednesdays are prayer meetings which are open to everyone. The tea and chat are on the 14<sup>th</sup> and 28<sup>th</sup> starting at 2:30pm. The men's Meeting is on the 28<sup>th</sup> April at 7pm. It will be Quiz evening.

## **Parish Jottings**

### **Annual Parish Meeting Tuesday 25<sup>th</sup> April 7 for 7.30pm in the Village Hall**

Do not miss the opportunity to hear the Chairman's Annual report on Parish Council activities over the last year. You will also be able to listen to our District and County Councillors and to representatives of a variety of village groups. Refreshments will be provided. Please come along.

### **City Deal consultations**

Please keep your eyes open for any developing news either through the Cambridge News or the Cambridge Independent or the City Deal website <http://www.gccitydeal.co.uk>

Barton Councillors have continued to be involved with discussions.

### **Hedge trimming adjoining footways**

Time please to get those hedges and trees trimmed before the new growth. That will make life so much easier for those walking around the village.

**Meta Greenfield** was nominated for Village Hero and received a certificate from the Chairman of South Cambs District Council at its Annual Awards Ceremony on 9<sup>th</sup> March. Meta is undoubtedly an unsung hero, always prepared to muck in and lend a hand.

As one parishioner noted, "A human dynamo, if ever I've met one. Tirelessly working – from Barton Recreation Improvement Group, Bowls Club, the church, jumble sales – to the school garden, you'll find Meta."

### **Village Hall improvements**

The Dulverton Trust Fund has given a grant of £2075 to provide projector facilities. Installation of an Internet connection is also taking place.

### **Reporting dangerous parking**

The local Police Inspector has set up an online web-page where you can report concerns about parking. The information that you give will go directly to him and will help him build up a picture of the exact hot-spots for parking issues. He will then use this information on targeted 'crack-down' days. The web page is live right now and you can find it here: <http://tinyurl.com/SouthCambs-Parking>

### **Road Safety Improvements**

By the time you read this County Highways should have installed the footway widening and dropped kerbs for an uncontrolled pedestrian crossing point near Wallis' garage. They will also have put in dropped kerbs and double yellow lines on New Road between the pedestrian gate into the school premises and the vehicular access that is used for deliveries. School time advisory 20 mph limit signs were placed on New Road in mid-March. Hopefully all these developments will vastly improve road safety in our village.

### **Foxcotte Bus Shelter**

You will be pleased to see that the attractive, traditional bus shelter has been completed. It stands at the entrance to the village and has received much praise for its design and quality, as revealed in the oak frame, the wattle and daub wall and the reed thatching.

We thank our financial donors – South Cambs Community Chest, Perennial, Arbory Trust and the Parish Council – and recognise the valuable work given free by Pepper Thatchers, Foxcotte Farm & Fencing and Barton BeaVers. Special thanks, however, are due to John Boocock who slaved away tirelessly during the winter months.

#### **Skills and apprenticeships**

‘Skills’ means, in particular, boosting the number of apprenticeships in Cambridge City and South Cambridgeshire District. Our area is sometimes called a ‘graduate-led economy’, meaning that – to a large extent – many of the jobs are intended for people with degrees and, if you are a young person with a degree, it’s not that difficult (relatively speaking) to find a job. By contrast, if you don’t have a degree, it is relatively more difficult to find a job in this area than in other parts of the country. So it’s important to help those young people who are not on a path to a degree, to get other qualifications that will both help them get a job and enable employers to get more benefit from recruiting them.

Apprenticeships is one of those ways. The City Deal has a particular remit to assist under 25-year-olds get Level 2 and 3 apprenticeships. There are three elements to this; we need to encourage and incentivise:

- *teenagers and young adults* to be aware of the opportunities and apply for apprenticeships;

- *employers* to employ them; and
- *colleges* to design and run suitable courses that the apprentices go on (on day-release or for longer periods) that match the skills that the employers want.

We're doing all of those, working with and through the Local Enterprise Partnership's "Signpost 2 Skills" service.

### **Affordable housing**

The District, City and County Councils own quite a lot of land. For various reasons they have in the past been slow to build new council or affordable houses on it, so another of the City Deal's remits is to correct that.

Like any developer building new houses, the councils have to apply for planning permission, and although they are effectively applying to themselves, all the proper procedures have to be gone through on an arm's-length basis. Then they have to be designed in association with architects, and builders have to be hired and managed, and then estate agents have to be hired to sell some of them on the open market (to raise funds to pay for the council and affordable houses) whilst the council/affordable houses are then handed-over to the relevant departments at the councils.

So the City Deal has seed-funded a "Housing Development Agency" (HDA) which is effectively an in-house property development company for the three councils, staffed by officers from the three councils plus new recruits – about a dozen people in all. It reached a good milestone last month, when it built its 100<sup>th</sup> new home. Details are:

- 39 homes at Scholars Court, Harrison Drive, Cambridge: 29 homes for affordable rent and 10 homes for shared ownership, all one, two or three bedroom flats, all to be let by the City Council.
- 35 homes at Aylesborough Close, Cambridge: 20 homes for affordable rent and 15 for intermediate rent, a mix of one, two and three bedroom flats and houses. All have been let via the City Council.
- 20 homes in Fen Drayton Road, Swavesey: 20 one, two or three bedroom houses let with affordable rents by South Cambridgeshire District Council.
- 4 homes in Horseheath Road, Linton: 4 for affordable rent: two flats, one bungalow and one house, provided to South Cambridgeshire District Council.
- 15 homes at Hill Farm, Fowlmere Road, Foxton: all are two or three bedroom houses for affordable rent by South Cambridgeshire District Council.

### **Barton WI**

A supper followed by a talk which we organised in aid of Denman College, the WI's education and training centre, was a most enjoyable social event and raised

over £500. Our speaker, Alison Bruce, a local crime writer, told us how her career as a novelist developed and went on to describe how she goes about researching and planning a new book. The audience queued to buy samples of her work once her talk had finished. She is a fluent and entertaining speaker. Our March meeting is the annual meeting, with elections, reports etc. Once the business matters had been completed Ann Datsun spoke to us about the lives and work of WS Gilbert and Arthur Sullivan. Ann, who comes from a theatrical family and knows the operettas and other works well, enriched her talk with pictures and musical excerpts. Our April speaker is to be Rex Freeman on "Growing Old Disgracefully". Visitors are welcome.

*Ann Killen*

### **Barton Playgroup**

This term has been all about counting using rhymes. To help the children focus attention they have been joining in with singing and also physical aspects, such as pretending to be little frogs jumping off logs. A number of the rhyming songs include animals so we have learnt about their habitats and in particular the lifecycle of a frog. Finally we ended the term with lots of Easter Egg and Easter Bunny based art activities.

*Helen Durrant*

### **Neighbourhood Watch**

Our local police inspector, James Sutherland, has recently been advising us about crime prevention. Unlike the City, there is no public CCTV in South Cambs. He is encouraging householders to install a CCTV system if possible, to help the police in detecting crime. A criminal seeing a CCTV system will often be deterred. A good burglar alarm is also valuable.

James is concerned about the large amount of thefts from cars in our area. People who leave keys in their car, or leave items on view, are inviting crime. Please take care.

Have you picked up a copy of *The little book of big scams*? They are available from Conkers, and possibly other shops, and may save you from being a crime victim.

Finally, another warning about doorstep callers. Please be suspicious of anyone selling door-to-door or asking to come into your house. Anyone wearing a uniform might not be genuine – there are a lot of thieves about. If you are suspicious of anyone, please call the Police on 101 immediately, making a note of their description and any vehicle registration if applicable. Never buy products from door to door salesmen or accept work from traders who notice you need work doing on the garden or house.

*Keep safe, Bev Edwards*

### **Cambridgeshire Fire and Rescue Service (CFRS)**

CFRS is proud to announce reaching the 1,000 mark for our Safe and Well visits launched last Summer to support the safety and wellbeing of the most vulnerable residents in the community. Working with key partners including Cambridgeshire County Council, Cambridgeshire Constabulary, Health and Wellbeing Network, Cambridgeshire and Peterborough NHS Foundation Trust and the Drug and Alcohol Action Team, CFRS developed the Safe and Well model to offer a holistic approach to supporting people living in their own homes. Building on the previous work of Home Fire Safety Checks, the Safe and Well visit encompasses a range of other services including preventing falls in the home, monitoring alcohol use and consumption, staying well, warm and nourished at home and crime reduction, including fraud and scams. The Safe and Well visit now provides the Service with sufficient information to support individuals and, with consent, to refer individuals to selected partner agencies, who will be able to support them further.

It is vitally important that people make referrals to us if they think someone they know, whether it be a loved one, a neighbour or a friend, could benefit from our completely free of charge service too. We will never share data for any commercial purposes and you are never under obligation to answer any questions that you do not want to, but the more information you provide us with, the better we will be able to support you.

For the latest news, incidents and safety advice, or to contact us, log on to [www.cambsfire.gov.uk](http://www.cambsfire.gov.uk)

## **Make a Will, while making a difference for local patients – Addenbrooke’s**

Making or updating your Will can seem like a big challenge. However, it can be a lot more affordable and straightforward than you may think.

Addenbrooke’s Charitable Trust’s annual Make a Will Week takes place this year from 24<sup>th</sup> to 28<sup>th</sup> April. A group of local solicitors and Will-writers have kindly agreed to waive their usual fees and write or update a simple Will, in return for you making a donation to change patients’ lives at Addenbrooke’s and the Rosie hospitals. To find out more simply call Katharine on 217757, hello@act4addenbrookes.org.uk or [www.act4addenbrookes.org.uk/makeawill](http://www.act4addenbrookes.org.uk/makeawill).

## **Home-Start – London Marathon 23<sup>rd</sup> April**

I was very lucky to be given a ballot place to run in the London marathon. After years of applying I couldn't believe it when the 'You're In' magazine dropped through my letter box. I had no hesitation in knowing that the charity I would choose to raise money for is Home-Start Royston & South Cambs (HSRSC).

HSRSC is an amazing charity that provides vital support to local families in vulnerable and crisis situations. Carefully trained parent volunteers are matched with a family who they visit weekly, offering non-judgemental practical and emotional support. Volunteers understand how hard parenting can be and work alongside families in their own homes supporting parents to develop the skills, time and strength they need to nurture their children. As part of the HSRSC team I know that since becoming totally self-funding in October 2015 fundraising is at top of every agenda and something we work at constantly. I hope that by taking on this challenge I will be able to help raise some vital funds to support this amazing charity to continue to provide its services to our local community. If you would like to sponsor me please visit my fundraising page:
