

## ***Dear Friends,***

If you look at your diaries you will see that the last day of this month is marked “British Summer time begins”. That feels encouraging when the weather has been so bleak! It is also a Sunday and Easter Day. That first Easter Sunday was a fresh beginning for the world, as it brought a light for living stronger than the sun. I am reminded of the words Neil Armstrong said on stepping on to the moon. “One small step for a man and one giant stride for human-kind”. (I may not have the words quite correct. I know he said “mankind” but that has gone out of fashion!) But was it a small step for Jesus? That is what we are thinking about during this time of Lent, especially on Wednesdays at 7.30pm in the Baptist Church room. Why not join us? We could also be thinking about how better to follow Jesus, in terms of prayer and commitment to His church and His service by helping others.

Jesus deliberately took steps towards Jerusalem and certain death. Why? He said it was to fulfil his Father’s will and the scriptures of the Old Testament. What was that? The theme of the Old Testament is God searching for a way to rescue the human race from its self-centredness; its pride, greed, and the other five sins making up the “deadly seven”. One way was by sacrifice. Once a year the head of the Jewish faith went into the most private room in the Temple to offer a sacrifice of atonement and forgiveness for the sins of the people. Jesus heard his Father asking him to be that sacrifice – the ultimate and fulfilling sacrifice. By appropriating that sacrifice for ourselves, we know that we are forgiven and free to live a life of love and service. The resurrection of Jesus endorsed his Good Friday offering, and His Spirit now leads us to follow in His way. It wasn’t a small step, but one which makes the giant stride forward possible for everyone who accepts His offer. We shall sing about this on Easter Day. It’s a celebration we can all join in, and we even get an extra hour’s sleep beforehand, as the clocks go forward!

*In God’s love, sincerely, Paul Duffett*

## **Church News**

**Saturday 9<sup>th</sup> March from 12 noon. Soup and Roll Lunch in the Village Hall for WaterAid.** Please come and enjoy a bowl of delicious home-made soup and help us raise money for the charity WaterAid helping communities in the third world to have clean drinking water near their homes. We do not charge for soup but ask for donations.

**Monday 25<sup>th</sup> March Annual Church Meeting 8pm in the School.** All parishioners are invited to attend.

**Saturday 30<sup>th</sup> March Churchyard Clean-up from 9.30am.** We would be delighted to see you if you can volunteer for an hour or so to help us tidy up the churchyard for the summer season.

***Please can you help us!***

**St. Peter's Church** will face an estimated cost of around £28,000 this year to restore and repair the organ. We have already obtained one grant of £5,500 towards this sum but need to find much more! As a way of raising some more money we would like to stage an evening of entertainment in the church on Saturday 14<sup>th</sup> September using local talent. We would like to invite individuals and groups to help us by offering a short entertainment! Items could be musical, dramatic, comical or serious, vocal or instrumental and we are open to any suggestions of who we might approach to do something; we already have a few talented groups lined up. We are sure we can host a superb evening of entertainment for all to enjoy! For more information and offers of help please contact Anne Coulson.

**Advance Date** Friday 19<sup>th</sup> April we are planning an evening for New Barton Residents in the school from 8pm. If you have moved into the village during the past 2 years do make a note of the date and come along and find out just what goes on in our community. Full details next month.

We will be holding a special Maundy Thursday Communion service at 7.30pm and joining with St Peter's for the Meditation at 10am and also the walk of witness with the cross in the afternoon.

### ***Barton Christian Fellowship***

On Wednesday 13<sup>th</sup> March at 2.30pm in the Village Hall, we are having Jeremy Parnel to speak about the Cogwheel Trust, which has its 25<sup>th</sup> Anniversary this year. They offer a counselling service to people with emotional or mental problems who are unable to get help elsewhere. Their motto is “Help when life has slipped out of gear”.

Please come and hear for yourselves and also share in a cuppa.

*Mary West*

### ***Parish Jottings***

***County Councillor Fiona Whelan*** explained that the proposed County budget would still be pruned in spite of the growing population in Cambridgeshire. She encouraged residents to have their say at Local Panel Police meetings and at sessions to secure the future of bus services. Do contact her for further details.

### ***Dangerous parking near the School***

Cars are still being left dangerously close to the bend in New Road and causing a traffic hazard. Please encourage your fellow parents to park just a little further away and walk the extra distance. Parking is available at Burwash Manor, for instance. There are so many accidents waiting to happen at peak times. The Parish Council will work with the School and the Police to try and find solutions, but please make that special effort to walk a little further.

***..... and elsewhere in the village on footways and verges*** – it is against the law to park on them. Such inconsiderate parking causes great difficulty for those who are less mobile or pushing prams.

### ***Gritting***

Volunteers have gritted footways in the vicinity of Conkers and the School to the extent that our County provided resources allow. If anyone could spare some time to share this task in future, please contact the Clerk.

### ***Proposed Bridge repairs – White Arch Bridge, Kingston***

Future repairs are proposed for the brick arch bridge located in the dip on Bourn Road, Kingston. A road closure applied for between 11<sup>th</sup> March and 2<sup>nd</sup> April.

**Barton Lunch Club. Friday 1<sup>st</sup> March 12.30 for 1pm in the Village Hall**

For reservations/cancellations please contact Anne Coulson 262666.

### **Maintenance of the Churchyard**

As many of you know the churchyard is maintained during the growing season by a dedicated team of volunteers.

This year two of these have decided that they can no longer continue so we are appealing for anyone who feels they can help us.

The tasks are 1. Grass cutting (a section only) and 2. strimming around the church both on a regular basis. If you are willing to help, please contact me on C-262005. We will be very grateful.

*Hugh Greenfield*

### **Cambridge City Foodbank – Helping People in crisis**

Thank you very much to everyone who has delivered food to the Collection Point at the Baptist Church during 2012. From the 1<sup>st</sup> April we have delivered nearly 300 kilo to the warehouse store and 50 kilo collected by the Barton WI.

Recently we had the privilege of attending the Mayor's Reception at the Guildhall promoting the Foodbank. Also present were representatives from many of the Care Agencies who work with the Foodbank. The star guest was Dr Rowan Williams former Archbishop of Canterbury who gave the keynote speech and has agreed to be the Patron of the Cambridge Foodbank.

How does it work? Donations of non-perishable food are sorted by volunteers into boxes containing enough food for 3 days for singles, couples or families. Care professionals identify people in crisis and offer them a voucher. The vouchers are redeemable at the distribution centres: Cambridge Community Church; St Paul's Church; Our Lady and the English Martyrs and the newly opened centre at the Church of the Good Shepherd in Arbury and the Foodbank Office in Trumpington. Voucher holders are also advised of relevant agencies who can offer further help and support.

Reminder. The Barton collection point is at the Baptist Church on the High Street and is open on the 1<sup>st</sup> & 3<sup>rd</sup> Wednesday evenings from 7.30pm to 8.30pm and on the 2<sup>nd</sup> and 4<sup>th</sup> Tuesday afternoons from 2.30pm to 4pm. Please continue with your generosity.

**CRAFTFORCE**

In order to clarify the purpose and activity of the newly formed Cake and Make group, it is now to be called CRAFTFORCE. It involves all and any crafts, and is nothing to do with baking and making cakes! The only cake that comes in to the afternoons is the eating of delicious cake with our cups of tea! So, to remind you, CRAFTFORCE meets on the 4<sup>th</sup> Wednesday of the month, at 3pm in the Pavilion. Come along to be inspired, share your talent, learn a new craft or work on a current project – stitch/glue/cut/knit/paint – whatever you fancy! Small monthly charge to cover Pavilion hire. If you have any queries, please ring Meta (262005) or Margaret (262353).

**Neighbourhood Watch**

There continue to be several burglaries and thefts in Barton and surrounding villages but these may now be on a downward trend. From April 2012, the Home Office has been publishing details of crime outcomes. Since then, only one suspect has been charged with a crime committed in Barton, in

June 2012. The police hope that their success rate will improve as a result of recent initiatives.

Please remain alert to possible thefts of heating oil, especially as the price is rising during the winter.

*Keep safe, Bev Edwards*

### **Barton Village Day Committee**

You will all be pleased to know that everybody’s remarkable generosity in raising money for the Jubilee Celebrations actually generated a surplus of about £800! The Jubilee Committee voted to roll the surplus over into the next village event. As the successor to the Jubilee Committee, the newly-formed Barton Village Day Committee is now a fundraising body in its own right and will be contributing to community projects around the Village.

We are in the very happy position of having some start-up cash, but there may be some fun fundraising events before the Village Day on 13<sup>th</sup> July. We'll let you know!

### **Barton Playgroup**

This half-term we will be looking at the topic of "Houses", thinking about where we live and looking at houses around the world.

We will celebrate Book Week between 4<sup>th</sup>-8<sup>th</sup> March. For World Book Day on Thursday 7<sup>th</sup> we will all come into Playgroup dressed as our favourite book characters to share stories, coffee and cake with our families.

### **Barton Energy Group**

Thanks to all the Barton residents who attended the Barton Energy Group meeting on 28<sup>th</sup> January in the Village Hall. Around 80 people attended this meeting, which demonstrated that there is considerable and encouraging interest in the subject.

The feeling from many of the attendees was that the meeting was very informative.

The Government's Green Deal initiative, which was launched that day, was explained and, hopefully, understood.

The Renewable Heat Incentive and Renewable Heat Premium Payment were discussed. These benefit people who install renewable sources of heating in their homes, such as heat pumps, solar hot water or wood-burning boilers. The payments are intended to ensure that the investment in this type of heating will pay for itself in a few years, and give significant long-term savings.

A spokesman from South Cambridgeshire District Council then explained about how the council plans to promote these government initiatives, especially the Green Deal.

Finally, Michael Radford of Burwash Manor brought us up to date with the proposed Barton Community Wind Turbine. Although this proposal has had opposition from the radio telescope observatory at Lords Bridge, approval may be sought at a future date if their concerns can be addressed.

A number of free Green Deal assessments were on offer from SCDC financed by a government grant. The majority of the people who applied from Barton can look forward to being chosen for these.

BEG will circulate further information about these government schemes; please go to the Barton web site for details [www.barton-cambs.org.uk](http://www.barton-cambs.org.uk)

### ***Trading Standards – What can you do when retailers face financial difficulty?***

With recent news of well-known high street retailers facing financial difficulty, you may be wondering what to do if goods you have paid for are not delivered or they are faulty and the company goes into administration. Trading Standards have put together the following advice to help you to protect your money:

- Credit card purchases

When buying goods or services with a cash price of more than £100 but less than £30,000, it is advisable to pay for at least part of them with a credit

card. That way, if the retailer is unable to deliver the goods or there is a fault with them, the card provider will be liable for the goods too.

- Debit card purchases

If you pay by debit card, the provider (bank) or Visa/Mastercard terms may help with any claims you may have. However, unlike a credit card, this differs between providers so you should be clear about what assistance you will get for non-delivery or faulty goods. The card agreement will state any terms you need to meet for claims – such as timescales for reporting a breach of contract by the retailer and any evidence you must provide. If you meet the terms for making a claim but are unhappy with the card provider’s response you should follow their own complaints procedure.

For both credit and debit card purchases, if you remain dissatisfied with the card provider’s response you can raise the matter with the Financial Ombudsman Service (FOS) [www.financial-ombudsman.org.uk](http://www.financial-ombudsman.org.uk) who will decide if the complaint was valid and award damages if applicable.

- Buying by PayPal

The same procedure for claims for debit card payments also applies to PayPal payments as, although PayPal aren’t a bank, they are signed up to the FOS. Other money transfer services have similar terms to PayPal but may not be signed up to the FOS for dispute resolution. You are therefore advised to check their terms.

- Cash or cheque

Buying goods by cash or cheque is unfortunately is a case of ‘buyer beware’. Another common concern for consumers is the validity of gift cards or vouchers for a company that has entered administration. Unfortunately these are accepted only at the discretion of the administrators. There is no express right to use them - even though they are effectively cash.

If you require any further advice or information about any of the matters in this article please contact our partner, Citizens Advice Consumer Service, on 08454 040506. For business advice and support contact 0345 0455206.

### ***Cambridgeshire Fire and Rescue Service***

There are a few messages the Service wants to remind residents of as we leave the winter months behind.

***Get sweeping:*** Chimneys should be professionally swept and brickwork inspected at least once a year to prevent chimney fires. Our advice is to check yours before and after the winter period.

***As the clocks go forward, push the button:*** Everyone should have a correctly fitted, working smoke alarm in their home. You should test it at least once a

week by pushing the button. If you have forgotten to do yours recently, why not test it when you turn your clocks forward?

**Easter school holidays:** Arson can often increase during the school holidays. Stay vigilant, call 999 if you see a crime taking place and do not attempt to put the fire out yourself. If you are a parent, speak to your child about the dangers of playing with fire.

**It's DIY time:** We frequently receive an increase in calls relating to homeowners getting into accidents associated with DIY. These can involve electrical equipment which has been stored in a damp shed over the winter and heavy-duty garden equipment. Be careful, read the instructions and take expert advice from a DIY store.

For free home fire safety advice, log on to [www.cambsfire.gov.uk](http://www.cambsfire.gov.uk). Like our fan page on Facebook by searching Cambridgeshire Fire and Rescue, and follow us on Twitter @cambsfrs. To find out if you are eligible for a free home fire safety check, call 0800 917 99 94.

**Home-Start Royston & South Cambridgeshire is looking for home-visiting volunteers**

Our volunteers are all parents or grandparents who can give a few hours a week to help families who are finding it difficult to cope.

A 10-Session training course will be held during April & May  
The course will be held from 9.30am – 2.30pm – dates to be confirmed.
